

March 2, 1984

LB 1076

SENATOR DECAMP: Nope, that sounds good.

SENATOR WESELY: Okay. With that I would support the amendment and I guess we will have another amendment in a minute to strike the \$20 change.

PRESIDENT: We are now considering the amendments offered by the committee. Is there further discussion? Senator DeCamp, do you want to close on those committee amendments?

SENATOR DECAMP: Just to say that the proposal he made is fine. I know there was concern about the fee. There seems to be people want to keep it on. That is fine. It is the other things in that amendment that are necessary to really get some major companies here and I need to get them in place and we can get some companies if we do. We're talking quite a few employees.

PRESIDENT: The motion is to adopt the committee amendments to LB 1076. All those in favor...oh, excuse me, the DeCamp amendment to LB 1076. The motion is the adoption of the DeCamp amendment to the bill itself. All those in favor vote aye, opposed vote no. We are voting on the DeCamp amendment to LB 1076, the amendment which has been under discussion. Please record your vote on the DeCamp amendment to LB 1076. The Clerk will record the vote.

CLERK: 28 ayes, 0 nays, Mr. President, on adoption of Senator DeCamp's amendment.

PRESIDENT: The amendment is adopted. Now then...

CLERK: Mr. President, Senator Wesely would move to amend the bill. (Wesely amendment appears on page 1265 of the Legislative Journal.)

PRESIDENT: Senator Wesely.

SENATOR WESELY: Very quick like, I know time is running out. This would reinstate the stricken language in the original bill and would continue the \$20 limit on credit
